Kalki avtar will establish a vedic religious.

Now we know the maximum detail about kalki avtar. Let us find whether he still to come or has already came and passed away.

THE ANALYSIS:-

When America attacked Afghanistan, B-52 bomber took off from America, they bombarded Afghanistan and without touching to ground they returned back to America. America has successfully attacked hide out of Taliban in Pakistan, with satellite guided missiles.

So we are in an era where a man can travel and come back attacking to other side of world. And an unmanned satellite guided missile can be fired from a distance of 3000 km to destroy the establishment of enemy with pin point accuracy.

Research work and development is so fast that within very short period of time people will fight with laser gun placed in satellite in sky. Do we still expect that the savior of world "the antim avtar" will take birth and will fight with enemy on horse back and with a sword in hand?

For such thing has to happen, first complete human race has to be destroyed along with its scientific development. And then those who got survived have to re-start life and development again from zero position. And then those few individual who survived, among them if any wicked person is their, then he could be terminated with sword in hand and riding on horse. But if such thing has to happens, then what is the use of coming of savior of world, after the complete destruction of world. Hence if we think in this way then we may be wrong.

Since 1100 A. D. Arabs are using explosives by mixing soda and coal - powder, hence era of kalki avtar must be before 1100 A. D

- 24th avtar can not be an unknown person. He has to be famous, as all earlier Avtars such as Gautam Buddha, Shri-Krishna, Shri Ram are very famous, and are known by everyone. But unfortunately we do not find any famous person who could be considered as avtar and who took birth around 500 AD in India.

- So let us find him outside India. Let us study the list of most influential people of history in last 1500 year. If we refer to book with title "The most 100 influential person in history" written by W. H. Hart. We find first name as Hazrat Muhammad (Pbuh) in first position in said book, and he born in 571 AD. And no other personality with same fame had born in and around 500 AD.

- It could be a coincidence that period of birth of kalki autar and Mohammad sahab (pbuh) is same. For confirmation and recognizing Muhammad sahab (pbuh) as kalki autar let us match follow detail and prediction by holy purana about kalki autar with Mohammad sahab (pbuh).

- Dated of birth.
- Place of birth.
- Family background
- Father name
- Mother name
- His teacher or source of knowledge
- His responsibility
- His associates
- His basic personality
- Being last Autar.
- Other related forecasts.

- **Date of birth:-**

As per kalki puran (2:25) kalki autar will born on 12th of bright fortnight of month of Madhav. Mohammad Sahab (pbuh) also born on 12th bright of fortnight of "Rabiul Awal," which is equivalent to Madhav.

- **Place of Birth:-**

There is no place in India with name sambhal. Two places have similar name that is Sambalpur, and Sambhar Lake. But no one knows that any such great person have ever born over their.

Dr. Ved Prakash Upadhyaya (Sanskrit scholar of Prayag University) says that Sambhal is characteristic of place and not name. In vedic Sanskrit Sam mean peace, Sambhal means, the place where one gets the peace.

Mohammad Saheb (pbuh) born in Mecca. This city is called by name "Baladil - Ameen" (Quran 95:3) Balad mean city and ameen mean peace. That is, "a city where human being could get the peace"

- **Family background:-**

As per Bhagvat Purana Kalki Autar will born in home of chief priest. Hazrat Abdul Muttalib who was grand father of Muhammad Sahab (pbuh) was chief priest and trustee of Kabaa (Mecca).

- **Parent's Name:-**

Father's name of Kalki autar will be Vishnu-yush, which means worshiper of Vishnu, or worshiper of God. Father's name of Muhammad sahab (pbuh) was Abdullah, which also means obedient of God.

- As per Kalki Purana, Mother's name of Kalki autar will be Sumati, which means gentle and thoughtful. Mother's of Muhammad (pbuh) was Aameena, which also means peaceful, gentle, and thoughtful.

- Kalki purana says Kalki autar will go towards north from his city, and then return back.

Muhammad sahab (pbuh) migrated to Madina a city on north side of his native city Mecca. After eight years of his migration, he again conquers Mecca. That is he returned back to his native city.

- Kalki purana says that kalki autar will go to the mountain where he will receive knowledge from parshuram.

It is a historical fact that Muhammad Sahab (pbuh) used to go on top of a hill in a cave called Gare-Heraa for silence, and deep thinking. In this cave at the age of 40 he received knowledge of holy Quran from arch angel Gabriel.

- Bhagavat Purana (12:2:9) says Aalki Autar will be saviour of world.

Holy Quran says, "We have sent Muhammad Sahab (pbuh) as Rahmatullil alameen." (Quran 21:107). Rahmat means blessing, alameen means worlds. That means the world will get guidance from Muhammad Sahab (pbuh) for their peaceful life on earth and a pattern of life for sure Mukti, salvation or eternal success.

- Kalki Puran (2:5) says that Kalki Autar with help of four of his companions will defeat Kali i.e. the Devil.

Encyclopedia of world history by W L. Langer (Page no. 184). Say that after Muhammad Sahab (pbuh) four of his company that is Abu Bakr, Umar, Usman, and Ali, spread the message of Islam, and the creed of one God, and terminated the old inhuman tradition.

- Kalki Purana (2:7) says kalki autar will be assisted by angle in battle fields.

Muhammad Sahab (pbuh) and his companion were only 313 in battle of badar, while the enemy was having 1000 solders. In battle of trench Muslims were about 3000, while enemy was having more than 15000 soldiers. In these

two battles, and manytime he received assistance by angles for victory over enemy. Holy quran also confirmed it in chapter (3:123-125), (8:9), (23:9) etc.

- Bhagavat Purana (12:2:21) says his body odour will be sweet smelling because of which the air around him will become fragrant.

The book of Hadees says that once while Muhammad Sahab (pbuh) was sleeping, Umme Salma collected his sweat. When he wakes up he asked, what you will do with my sweat? She said, this we will use as a fragrance.

The hands of the one who shake hands with Muhammad Sahab (pbuh) would remain fragrant all day (Shamael Tirmidhi pageno. 208)

Anas the servant of Muhammad Sahab (pbuh) said, we always used to know when Muhammad Sahab (pbuh) had come out from his chamber by the sweet smelling fragrance that fill the air. (Life of Mohammad by sir William Muir page 342)

- Bhagavat purana (Section no. 2 Chapter 2) says that kalki autar will be adorned with eight special qualities, i.e. wisdom, respectable lineage, self-control, revealed knowledge, velour, measured speak, utmost charity, and gratefulness.

Following book by non-muslim authors confirm said qualities in Muhammad Sahab (pbuh):

- 1- Life of Mohammad by Sir William Muir. Published by Smith elder & co. (London)
- 2- Introduction the speeches of Mohammad by Lane Poole. Published by Macmillan & Co. (London)
- 3- Mohammad and Mohammad by R. Bos Worth Smith.

- Bhagawat Purana (12:2:19) says adorned with eight qualities and riches, riding, swift horse, given to him by angle and with a sword in his hand, the saviour of the world will subdue all the miscreants.

Mohammad Sahab (pbuh) received a special swift horse called Burraq by angle.

Mohammad Sahab (pbuh) was having seven personal horses and nine swords. And he used them to spread the message of God, either by peace or war.

- Bhagavat purana (1:3:24) says: Kalki Autar will be last Autar. Holy quran also described Mohammad Sahab (pbuh) as last prophet (Holy Quran 33:40)

- Holy purana says kalki autar will established vedic Dharm. Mohammad Sahab (pbuh) taught religion as per Quran. And over all teaching of holy vedas and holy Quran are same. That is worship of one God and humanity. Hence islam is also a Vedic Dharm. In the book with title "Teachings of Vedas and Quran" we will study some of the common verses of both the holy books.

- All the feature predicted for Kalki Autar are matching with Muhammad Sahab (pbuh), hence most of the Sanskrit scholars such as Dr. Ved Prakash Upadhyay, Dr. M.A. Shrivastav, Pandit Dhanveer Upadhyay says that Muhammad Sahab (pbuh) is the Kalki Autar, for whom everybody is still awaiting.

Kindly refer following books for detailed and in-depth knowledge about Narashans, Kalki Autar and Muhammad (pbuh).

- Buddhists are followers of 23rd Autar of Vedic Dharm, because of Gautam Buddha was 23rd Autar.

- Muslims are followers of 24 th Autar of Vedic Dharm, because of Kalki Autar was 24th Autar. And Muhammad (pbuh) is Kalki Autar.

- When Manu (Hazrat Nooh, the prophet) cursed the non-believers, a deadly flood engulfed the whole world, and in this flood, only believers of God survived along with Manu, and all others perished.

If Manu and his followers were following Vedic Dharm after the flood. Then Islam is truly a Vedic Dharm, because Muhammad (pbuh) did not introduced a new religion as Islam, but revived what Manu and earlier prophets taught. Following verse of holy Quran confirm this statement.

"He ordered you Mohammed (pbuh) to follow the same religion, which He has ordered Manu (Noah) to follow, same commandment He had also sent to Abraham (Abiram) Moses and Jesus Christ. He also commanded all of them to establish the religion and not divide themselves."
(Holy Quran 42:13)

- The Qur'an teaches supreme principle of life, decent conduct, universal love, oneness of God etc. We can see glimpses of all that in the Vedic scriptures as well.

- Whatever we discussed was co-relation between Kalki Autar and Hazrat Muhammad (pbuh). But one can say that whatever we discussed was our imagination and there is no solid proof that Kalki Autar is Muhammad (pbuh) or Hazrat Muhammad (pbuh) is predicted in holy Puranas.

So to confirm the identity of Kalki Autar and to confirm the predictions of Hazrat Muhammad (pbuh) in holy Puranas, we refer to following verses from holy books

of Hindu religion.

एतस्मिन्निरे म्लेच्छ आचार्येण समन्वितः ॥
महामद इति ख्यातः शिष्यशाखा समन्वितः ।
(भ. पू. पर्व - ३, खण्ड - ३,
अध्याय - ३, श्लोक - ५)

• Bhavishya-Puran says: "In another country a prophet will come along with his companions. His name will be Mahamad and he will appear in a desert country."

Pandit Dharam Veer Upadhyay wrote a famous book, "Antim-Ishwar-Doot" which was published in 1923 by National Printing Press, Daryaganj, New Delhi. In his book he writes, Kag-Busandi and Garud remained in company of Shri Ram for a long period of time, they not only used to follow but also used to convey the same advices of Shri Ram to common people. Tulsi Dasji has mentioned the above advice in his translation of Sangram Puran. He wrote that Shankarji predicted about the Future religion to his son in following words:

Prediction by Tulsi Dasji:

यहां न पक्षपात कस्यु राखहुं वेद, पुराण, संत मत भाखहुं	Without any partiality I express the teachings of saints, Vedas and Purans.
संवत विक्रम दोऊ अनइ महाकोक नस चतुर्पतइ	He will take birth in seventh Bikrami century with rise of four stars (sun).
राजनीति भव प्रीति दिखावै आपन मत सबका समझावै ।	He will be eligible to rule. By logic (love and wisdom) or by force, he will convince his teachings.
सुरन चतुसुदर सतचारी । तिनको वंश भयो अति भारी	He will have four subordinates because of which his followers will increase.
तब तक सुन्दर मढिकोया । विना महामद पार न होया ।	Till the divine book remains on earth, salvation is not possible without Mahamad (Mohammed).
तबसे मानहु जन्तु भिखारी । समस्थ नाम एहि ब्रतधारी ।	People, beggars, insects and animals will all become obedient to God after taking his (Mohammed's) name.
हर सुन्दर निर्माण न होई तुलसी वचन सत्य सच होई ।	After him none shall be born like him. What Tulsi Das says will truly happen.

(Hazrat Mohammed pbuh in Bhartiya Dharam Granth, by Dr. M. A. Shrivastav, Page no. 18)

• In second part of Encyclopedia edited by Nagendra Nath Basu few verses of Upanishads about God and Muhammad (pbuh) is as follow:

आदत्ला वूक मेककम् अल्लवूक निखादकम् ॥४ ।	This verse could not be translated.
अला यज्ञन हुत हुत्वा अल्लाः सूर्य चन्द्र सर्वनक्षत्राः ॥५॥	Allah is worshipped since Yag Age. Sun, Moon and Stars are because of Allah.
अल्लो ऋषीणां सर्व दिव्यां इन्द्राय पूर्व माया परमन्तरिक्षा ॥६॥	Allah is of Rishis (saints). He is Greatest of all, prior to Indra and more mysterious than space (Universe).
अल्लः पृथिव्या अन्तरिक्षं विश्वरूपम् । ७॥	Allah is visible in Earth, Sky and everything of Universe.
इल्लांकवर इल्लांकवर इल्लां इल्ललेति इल्लल्लाः ॥८॥	Allah is Great, Allah is Great. No one equals Him.
ओम् अल्ला इल्लल्ला अनादि	OM means Allah. We cannot ascertain His beginning and end. We pray such Allah for protection against evil.
दे स्वरुपाय अथर्वण श्यामा हुशी जनान पशुन सिधदानः जलवरान् अदृष्टं कुरु कुरु फट ॥९॥	O Allah! Terminate wicked criminals, misguiding religious people, and evil creatures of water in a moment. (protect us from them)
असुरसंहारिणी इं ह्रीं अल्लो रसूल महमदरकवरस्य अल्लो	Allah is terminator of evil power and great Mohammed is Prophet of Allah
अल्लाम् इल्ललेति इल्लल्ला ॥१०॥	Allah is Allah. No one is like Him

(इति अल्लोपनिषद्) Eti Allopnishad
(Hazrat Mohammed (S.) in Bhartiya Daram Granth,
By Dr. M.A. Shrivastav, Page no.30)

The Kalyan Magazine published by Geeta Press of Gorakhpur has mentioned 220 Upanishads in its special issue named "Upanishadank". In these 220 Upanishads the Allopnishad is mentioned on the 15th position. Dr. Ved Prakash Upadhyay also described Allopnishad in his book "Vedic Sahitya Ek Vivechan" published by Pradeep Prakashan in 1989.

- Holy Vedas are approximately 4000 years old. Those divine books which revealed after Vedas, also predicted Hazrat Muhammad (pbuh) in following words:

Prediction in Jewish religion:

"I will raise up a prophet from among their brothers, similar to him (Moses) and will put my words in his mouth and he shall speak to them all that I shall command him." (Old Testament, Deuteronomy 18:18)

Predictions in Christian religion:

Jesus Christ said in holy Bible:

"I indeed baptize you with water to repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptize you with the Holy angel and with fire." (St. Matthew 3:11)

- Bible was originally revealed in Hebrew language, in Old Testament (in Hebrew language), in the book Solemen, Chp no-5, Verse no-16, says:

"Hikko Momittakim we Kullo Muhammadim Zehdoodeh wa Zehraee Bayna Jeruselem". (Old Testament, book Solemen, Ch. No.5, Verse No.16)

"His mouth is most sweet, ye, he is altogether lovely. Mohammad is my beloved, and this is my friend, O daughters of Jerusalem". (In Hebrew im is added with name to express respect. Hence Mohammed is referred as Mohammadim)

Predictions in Buddhism:

Holy Puran says, Gautam Buddha is 23rd Autar. Gautam Buddha said to his servant Nanda:

Predictions in Buddhism:

Holy Puran says, Gautam Buddha is 23rd Autar. Gautam Buddha said to his servant Nanda:

"O Nanda, I am not the first Buddha in this world, nor am I the last. In time, there will appear a Buddha in this world, who will give the teachings of truth and charity. His disposition will be pure and holy. His heart will be clear. He will possess knowledge and wisdom. He will be the leader and guide of all men. He will teach the truth, as I have taught the truth. He will give the world a way of life, which will be pure and at the same time complete. O Nanda, his name will be Maitreya."

(Gospel of Buddha by Carus, page 217)

- Dr. Ved Prakash Upadhyay proved in his books (two books mentioned earlier) that all predictions in holy religious books are for Muhammad (pbuh).

What is purpose of writing of all these things?

If we go to a foreign country, where everyone is new and stranger for us, and if we come to know that among them one person is from our own country, then even without knowing anything about that person we feel friendship, sympathy and attraction towards him, because something is common between that person and ourselves, and that is our motherland.

This sense of 'something common reduces the distances between two strangers.'

Same thing will also happen if we learn of something common among our and others' religions.

Now we know that Kalki Autar or Narashansa of Hindu and Hazrat Muhammad (S.) of Muslims are one and the same. This sense of commonness will reduce the hatred and distances between Hindus and Muslims.

Let us spread this knowledge among common people, to reduce hatred among them, and bring peace and prosperity in life of human being and in this world.
